The County is also authorized pursuant to Title 19 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2022 Supplement) and Council Bill No. 3-2014 enacted by the County Council on March 5, 2014 and effective on March 7, 2014 ("Note Ordinance"), to issue and sell its bond anticipation notes in the maximum aggregate principal amount not greater than the amount of bonds which the County is authorized to issue (the "Notes"). The principal of and interest on such Notes are payable from the first proceeds of sale of such bonds or from tax or other revenue that the County makes available for the payment of such Notes and the interest thereon. As of the date of introduction of this Ordinance, the actual principal amount of the Notes outstanding is \$39,964,080.

The outstanding Notes were issued in anticipation of the issuance of the County's consolidated public improvement bonds and metropolitan district bonds, and the County authorized the issuance of such bonds in one or more series pursuant to Council Bill No. 34-2006 enacted by the County Council and effective on June 7, 2006, as amended and supplemented from time to time (as so amended and supplemented and together with this Ordinance, the "Master Bond Ordinance"). The Master Bond Ordinance provides that prior to the issuance of any series of such bonds, the County Council shall enact an ordinance supplemental thereto to specify and provide for various matters in connection with the issuance and sale of such bonds, as provided in the Master Bond Ordinance.

Section 19-101 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2022 Supplement) and the Consolidated Public Improvement Bond Enabling Laws provide that the County Council may provide that

- 4 consolidate bonds issued, sold and delivered pursuant to the Consolidated Public
- 5 Improvement Bond Enabling Laws (the "Consolidated Public Improvement Bonds") from
- 6 time to time.
- 7 Pursuant to the Metropolitan District Bond Enabling Law, bonds authorized
- 8 thereunder may be consolidated for sale and issued, sold and delivered as a single issue of
- 9 bonds.
- The County Council has determined that it is in the best interest of the County to
- 11 consolidate bonds issued, sold and delivered pursuant to the Metropolitan District Bond
- 12 Enabling Law (the "Metropolitan District Bonds") from time to time.
- Now, therefore, be it enacted by the County Council of Howard County,
- 14 Maryland:
- 15 **Section 1.** All terms used herein which are defined in the Recitals hereof shall
- 16 have the meanings given such terms therein.
- 17 **Section 2.** It is hereby found, determined and declared as follows:
- 18 (1) It is in the best interest of the County to issue the Consolidated Public
- 19 Improvement Bonds pursuant to and in accordance with the Consolidated Public
- 20 Improvement Bond Enabling Laws and the Master Bond Ordinance in the aggregate

Accordingly, any sale of Consolidated Public Improvement Bonds and Metropolitan District Bonds (collectively, "Bonds") pursuant to this Ordinance by private negotiation will provide significant benefits to the County which would not be achieved if such Bonds were sold at public sale and is in the County's best interest.

- 20 (ii) The remaining proceeds of the Consolidated Public Improvement
- Bonds, if any, shall be applied (A) to the payment of costs, fees and expenses incurred in
- 22 the issuance and sale of the Consolidated Public Improvement Bonds, to the extent such
- costs, fees and expenses are not paid from other sources, and (B) to defray a portion of the

Section 16. The County hereby covenants with each of the holders of any Bonds, the interest on which is expected to be excludable from federal income taxation (such Bonds being referred to herein collectively as "Tax-Exempt Obligations"), that it will not use, or suffer or permit to be used, the proceeds received from sale of such Tax-Exempt Obligations, or any moneys on deposit to the credit of any account of the County which may be deemed to be proceeds of such Tax-Exempt Obligations, pursuant to Section 148 ("Section 148") of the Internal Revenue Code of 1986, as amended (the "Code"), and applicable regulations thereunder, which use would cause such Tax-Exempt Obligations to be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder. The County further covenants that it will comply with Section 148 and the regulations thereunder which are applicable to Tax-Exempt Obligations on the date of issuance of such Tax-Exempt Obligations and which may subsequently lawfully be made applicable to such Tax-Exempt Obligations. The County Executive, the County Administrative Officer and the Director of Finance shall be officers of the County responsible for issuing any Tax-Exempt Obligations. The County Executive or the Director of Finance is hereby authorized and directed to prepare or cause to be prepared and to execute, any certification, opinion or other document which may be required to assure that such Tax-Exempt Obligations will not be deemed to be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder.

The County is hereby authorized to take any and all actions as may be necessary or desirable to assure that interest on Tax-Exempt Bonds is and remains excludable from gross income for federal income tax purposes.

The County is hereby authorized to take any and all actions as may be necessary or desirable to assure that any Bonds authorized by this Ordinance are allowed a tax credit, that the County is entitled to a subsidy from the United States of America or any agency or instrumentality thereof with respect to such Bonds or the interest payable thereon, or that any such Bond or the interest thereon is entitled to any other available benefits under the Code (any such Bonds being referred to herein as "Tax Advantaged Obligations"). Any such actions may be authorized by an order of the County Executive.

The County Executive is hereby authorized to make such covenants or agreements in connection with the issuance of any Tax-Exempt Obligations or Tax Advantaged Obligations as he shall deem advisable in order to assure (i) the holders of any such Tax-Exempt Obligations that interest thereon shall be and remain exempt from federal income taxation, (ii) the holders of any such Tax Advantaged Obligations that such Tax Advantaged Obligations will be entitled to such benefits, and (iii) that the County is entitled to any subsidy available for any such Tax Advantaged Obligations. Such covenants or agreements shall be binding on the County so long as the observance by the County of any such covenants or agreements is necessary in connection with the maintenance of the exemption from federal income taxation of the interest on such Tax-Exempt Obligations or the entitlement of such Tax Advantaged Obligations to such benefits, respectively. The foregoing covenants and agreements may include (without limitation) covenants or agreements on behalf of the County relating to the investment of proceeds of such Tax-

resulting from such investment to the United States of America (or the payment of penalties in lieu of such rebate), limitations on the times within which, and the purposes for which, such proceeds may be expended or the utilization of specified procedures for accounting

Exempt Obligations or Tax Advantaged Obligations, the rebate of certain earnings

for and segregating such proceeds. Any covenant or agreement made by the County

Executive pursuant to this paragraph in an order or certificate executed by the County

7 Executive shall be binding upon the County.

In furtherance of the foregoing, in order to qualify for and maintain the tax-exempt status of any Tax-Exempt Obligations or the benefits inuring with respect to any Tax Advantaged Obligation, the County Executive shall be authorized to make any elections or designations permitted or required under the Code, to apply for an allocation from the State of Maryland or the federal government in the case of Bonds or Notes subject to any volume limitation and to apply for any tax credit, to take such actions as shall be necessary to permit any tax credit to be stripped and sold separately from the ownership interest in any Tax Advantaged Bond and to claim any cash subsidy with respect to any Tax Advantaged Obligation. It is confirmed that the County Executive is authorized to declare official intent to reimburse expenditures from proceeds of Tax Advantaged Obligations.

For purposes of establishing compliance with Section 148 of the Code regarding the expenditure of proceeds of Tax-Exempt Obligations or Tax Advantaged Obligations, the source of Capital Projects Fund monies for capital expenditures may be specifically attributed to funds deposited to the Capital Projects Fund as a reimbursement from the proceeds of County debt issuances in accordance with a certificate executed by the County Executive.

- 1 It is confirmed that bond premium, consisting of net bond proceeds from the sale
- 2 of bonds sold at a price above par, may be allocated for expenditure purposes permitted
- 3 under provisions of federal income tax law pertaining to excludability of interest on the
- 4 bonds from gross income or the tax status of Tax Advantaged Obligations, as applicable.
- 5 **Section 17.** In accordance with the provisions of Section 402(a) of the Charter,
- 6 the County Executive is hereby authorized to delegate to the Chief Administrative Officer
- 7 the power and authority to take any and all actions required or permitted to be taken by the
- 8 County Executive pursuant to this Ordinance.
- 9 Section 18. (a) This Ordinance shall be supplemental to the Master Bond
- 10 Ordinance and shall be a "Supplemental Ordinance" as defined therein; provided, however,
- that to the extent that any of the terms and provisions of this Ordinance conflict with the
- terms and provisions of the Master Bond Ordinance, the terms and provisions of this
- 13 Ordinance shall control.
- 14 (b) It is hereby found and determined that the modification and
- supplementation of the Master Bond Ordinance, as provided herein, is in the best interest
- of the County and is not adverse to the interests of the holders of the Notes.
- 17 (c) Except as hereby or heretofore supplemented, the Master Bond Ordinance
- shall remain in full force and effect; and the Master Bond Ordinance, as so modified and
- supplemented, is ratified and confirmed.
- 20 (d) On and after the date of enactment hereof, all references to "Bond
- 21 Ordinance" in the Note Ordinance or the Master Bond Ordinance shall mean the Master
- 22 Bond Ordinance as supplemented hereby.

- 1 **Section 19.** If any one or more of the provisions of this Ordinance, including any
- 2 covenants or agreements provided herein on the part of the County to be performed, should
- 3 be contrary to law, then such provision or provisions shall be null and void and shall in no
- 4 way affect the validity of the other provisions of this Ordinance or of the Bonds.
- 5 **Section 20.** This Ordinance shall take effect on the date of its enactment.
