Council Resolution No. 62-2025

Introduced: March 3, 2025

Auditor: Rebecca Gold

Fiscal Impact:

We do not anticipate significant fiscal impact to this legislation, as Section 6.300 of the County Code states that “Board members shall receive no compensation for their services except reasonable and necessary expenses as may be provided in the budget.”

Purpose:

This legislation appoints seven members to the Inspector General Advisory Board in accordance with Section 22.1300 of the County Code and establishes their terms of service.

Other Comments:

These members have staggered term limits and have been appointed one from each Council District, one from the County Executive, and one from a nomination process by a majority of the Council.

Council Bill 61-2024 and Council Resolution 107-2024 were previously approved by Council to codify the establishment of the Office of the Inspector General and the Inspector General Advisory Board, and to amend the County Charter to include the Office of the Inspector General.
